Warmer Derby & Derbyshire helpline is open

Our energy bills/cold homes phoneline service is still running, albeit in a modified form. The Warmer Derby & Derbyshire number is still available **0800 677 1332**, while home visits will be replaced by conference/video calls where appropriate, and/or postage of information leaflets & materials. We're conscious that incomes are being hit while energy bills may be going up as people stay home, and support is harder to access. We want to do all we can whilst not compromising health of clients and colleagues. Stay healthy & hope to hear from you soon.

As households around Derbyshire stay at home, our energy bills are set to rise as gadgets become essential for staying in touch and the heating needs to be on during the day. Keep ahead of the game by calling an Energy Advisor at Warmer Derby & Derbyshire on **0800 677 1332**.

You can call for advice about:

- energy bills
- switching tariff
- how to make your home more energy efficient
- how to apply for grants for heating systems and insulation

We also have a small crisis fund for vulnerable households with acute problems affected by COVID-19 and associated difficulties in contacting suppliers. Please call us for more information. Freephone: 0800 677 1332 or email wdd@mea.org.uk

Morrisons Foundation - Covid 19 Homeless Support Fund. The Morrisons Foundation has announced a Homeless Support Fund aiming to fund charities caring for the homeless during the Covid 19 outbreak and ensure help gets to those who need it.

The Foundation recognises that homeless people are particularly vulnerable to Covid 19 because of underlying health conditions and are less able to access basic sanitation.

There is a total of £500,000 for this fund and awards of up to £10,000 are available. Smaller requests will allow more charities to be supported from the fund.

Registered charities that care for the homeless can apply to cover the broad areas:

- Outreach and support to rough sleepers
- Delivery of services in hostels and shelters
- Information and advice

Applications can be made at anytime. www.morrisonsfoundation.com/latestnews/covid-19/
