

Saint John Houghton Catholic Academy – Early Help Offer

Saint John Houghton Catholic Voluntary Academy will work with children and families and we will

Aim to:

Work to families' strengths especially those of parents and carers and take time to understand their needs fully.

People, children and communities to support each other.

Focus on preventing problems before they occur and offer flexible, responsive support when and where it's required.

Base all we do on evidence of both what is needed and of what works and be brave enough to stop things that are wrong.

We will know if our work in early help is successful if it delivers these outcomes:

Children and Young People...	Parents and Carers...
<ul style="list-style-type: none">• Are physically and emotionally healthy• Are resilient and able to learn well• Are supported by their families, their community, and - when necessary - professionals to thrive and be successful• Live in environments that are safe and support their learning and development.	<ul style="list-style-type: none">• Are supporting one another in their communities• Know where to get help if they need it• Have trusted relationships with practitioners, neighbours and other parents• Are well informed about how best to help their child develop, and motivated to make great choices.

Our offer is embedded in Saint John Houghton, Child Protection and Safeguarding Policy, Early Help, and is part of a continuum of work in helping keep children safe. We also have a system to address any concerns in our delivery of the offer, and this is addressed in the School's complaints procedure.

Our point of contact in school is **Miss L Bywater** and you can make contact via email LBywater@sjhcva.co.uk
