

Hi

I wanted to share with you the new website that has been launched, called [Derby & Derbyshire Emotional Health & Wellbeing](https://derbyandderbyshireemotionalhealthandwellbeing.uk/), this is a great website and can be used by professionals and parents. Please take a look. I will be adding it to my list of support.

Whilst this website is not yet complete, it currently supports the Emotional Health and Wellbeing of Derby and Derbyshire and people linked to **COVID 19**. Shortly, the rest of the website will be live, on the same link with tiles for Professionals, Parents & Carers and Children & Young People.

We will be sharing links to:

- Training and Events
- Advice and resources
- Legislation
- Key contacts
- Wellbeing
- In an emergency

Plus much more! As it will be a 'live' site, it will be updated every day.
