Year 11 and the year ahead

As a school we recognise how difficult the last year has been for all students and especially those that find themselves in Year 11 completing their GCSE's. We would like to support students with their academic and wellbeing through this year, as a result please see the key events and dates for your diary below:

- Room 5 is currently open every day at lunch time as a 'study room' and supervised by teaching staff
- Post 16 Career Fair 21st October beginning at approx. 4:30 – more details to follow.
- Thursday November 11th after school voluntary revision skills session- refreshments provided
- 21st December (approximately 6pm- 11pm) Year 11 Christmas Party- Details to follow and tickets on sale soon
- 3rd/4th March- (in school)- Catholic Life and Wellbeing days, with a focus on 'managing stress'/ wellbeing and relaxation. There will also be Mass on the Friday with liturgy preparation for the whole year group.
- The Summer Leavers Celebration (2022) is also in the process of being arranged

When results of the current Progress Assessments have been analysed, subject specific intervention will follow, so please look out for this information as the term progresses. We will also look at 'windows' throughout the academic year where we can look to support, reward and take the pressure off Year 11.

Ensuring you of my continued support,

Mr Thomson
Head of Year 11
