

Saint John Houghton CVA Update
Friday 18 February 2022

All Students information

COVID-19:

Reporting LFT positive results:

During school hours - telephone school – 0115 9322896

Out of school hours, email – pupilsupport@sjhcva.co.uk, please provide the date they have to isolate until.

From Tuesday 11 January 2022, any student who tests positive on a lateral flow device no longer has to have a PCR test but must follow the current self-isolation guidance.

Changes to the self-isolation period for those who test positive for COVID-19:

1. From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.
2. The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.
3. If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.
4. Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

Reporting student absences:

Please report any student absences to the absence line - 0115 9322896 - press option 1 - by 8am each day they are absent.

You may now also email into studentabsence@sjh.srscmat.co.uk to notify us of any absences by 8am.

If you contact after 8am, Reception will answer your call.

Half term holiday and Inset day:

School will be closed for the half term holiday Monday 21 - Friday 25 February 2022.

Monday 28 February 2022 is an inset day, school will be closed to students on this day.

SCIENCE PROJECT

This academic year the Science department have been excited to bring back the half term Science projects. As a department we have missed seeing the amazing work produced by Year 7 and 8.

The projects produced during the last half term were some of the best we have ever seen. The creativity, ingenuity and presentation of these projects left the Judges with an almost impossible task of deciding the overall winners in both Year 7 & 8.

Year Winners - **Maja W – Year 8**

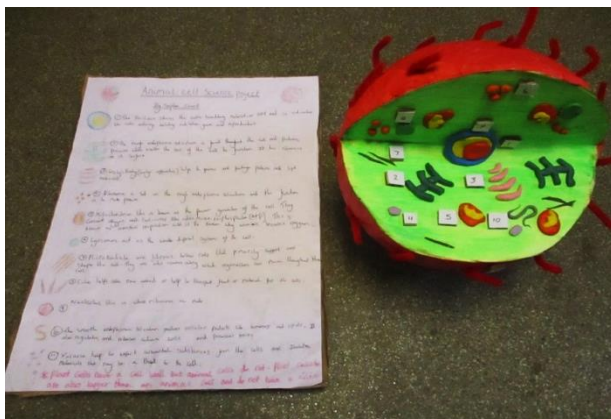

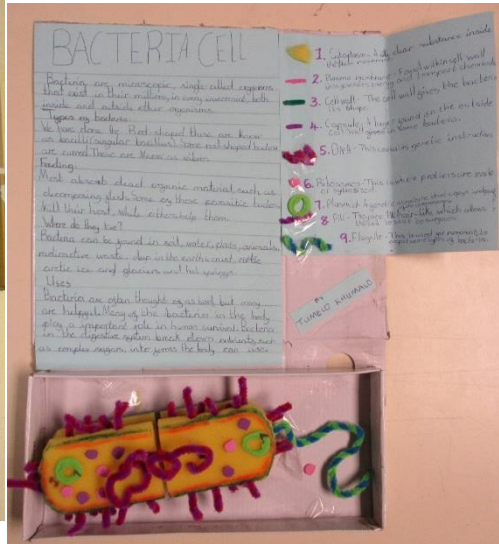

Isabella O – Year 7

Over February half term, our next set of projects will be given to year 7 & 8 and we are looking forward to seeing them again, so we can celebrate their hard work and achievement. Who's know which class Mrs Finney will be visiting this time!!

Below are some pictures of these amazing projects:

Year 8 mixed bench ball tournament:

On Wednesday 16 February, Year 8 students took part in the Year 8 Mixed Benchball Tournament at Ilkeston School. They played against Kirk Hallam and Ilkeston School, beating both schools, and winning the overall tournament. We are Benchball Champions!
