## **All Students information**

### **COVID-19 – Changes to guidance from 1 April 2022:**

- adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days

## **Year 10 student information:**

### **Year 10 mock exams:**

Well done to all the Year 10 students who have today completed most of their examinations. The feedback that from the lead invigilator, was that their behaviour and attitude in the exams was exemplary.

## **Year 11 student information:**

### **Year 11 GCSE examinations:**

Year 11 start their GCSE examinations on Monday 16<sup>th</sup> May and we wish them good luck as they start this journey towards the next step in their lives.

Please remind your child that they must not enter the exam room with anything on their person other than a clear pencil case containing their stationery equipment. This includes mobile phones, watches of any description, other electronic devices, notes etc. Water bottles should be see through clear plastic, flip top only (no writing or labels) and no writing on hands. Any of these instances will constitute a malpractice, which is taken very seriously by both the examination board and school, resulting in a possible loss of marks or even grade.

We know that this has been a difficult time for all these students due to COVID-19 but we are proud of their determination to succeed.
