

Saint John Houghton

CENTURY Tech in our school

What is CENTURY?

?

CENTURY is an AI powered online platform that...

- Teaches English, Maths and Science
- Learns how your brain learns
- Measures how quickly or slowly you work and what scores you get
- Gives you your own learning pathway

AI
powered

English

Maths

Science

Artificial Intelligence

What does AI stand for?

On a mobile phone

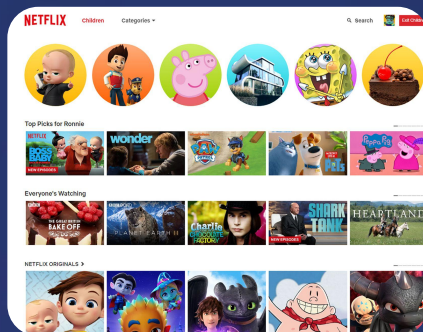

Alexa/Siri

Do you think you've ever used AI and where?

Search engines like Google

CENTURY works a bit like Netflix.

Recommended Pathway

This is your pathway.

First, we need to personalise this!

We do this with a diagnostic.

What do you think a diagnostic might be?

diagnose

Diagnostics

These are like a mini-quiz.

You don't get any feedback.

Thank you for completing the diagnostic

We're using your answers to calculate your recommended learning path. Remember, a diagnostic assessment isn't a test: it's to help us know what you need to learn next. That's why we will never tell you which questions you got right or wrong. It doesn't matter. Every answer you gave helps CENTURY to understand your brain better so that we can help you progress more quickly.

Next Nugget:
Diagnostic: Acids, Bases and Salts

Try your best and don't worry about using the 'I don't know' button to let the platform know that you don't know.

Nuggets

Your Recommended Pathway will now be unique for you!

You can try the first nugget.

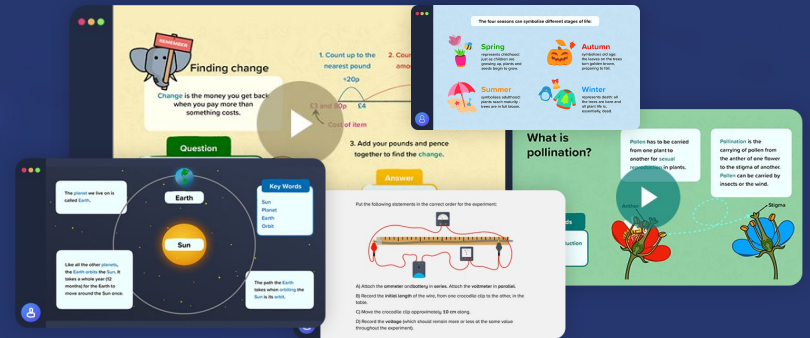

You might have heard the word referring to a nugget of gold, a small piece of gold...

...or a chicken nugget, a small piece of chicken.

On CENTURY, it's a small piece of learning!

Nuggets

The image shows a laptop screen with a learning interface. The main content area features a large video player with a yellow background and a central play button. The video title is "Place Value up to 1,000,000 [PM1.25]" and it is categorized under "My Courses / 11+ Mathematics". To the right of the video player is a "Learning Material" section with a dropdown menu set to "CENTURY Explains Video". Below this, a progress indicator shows "Place value up to 1,000,000" with a red checkmark in the first of ten circles. At the bottom right, there is a "Summary" section with a downward arrow and a text description: "This nugget has learning material and questions covering the topic of place value up to 1,000,000." In the bottom right corner of the interface, there is a red button labeled "I am feeling worried" next to a sad face emoji. The CENTURY logo is visible at the bottom center of the screen.

The screenshot shows a user interface for a learning nugget. At the top left, the title is "Place Value up to 1,000,000 [PM1.25]" with a close button. Below the title is the breadcrumb "My Courses / 11+ Mathematics". The main content area features a video player with a yellow background and a play button. To the right of the video player is a sidebar. The sidebar has a "Learning Material" section with a dropdown menu set to "CENTURY Explains Video". Below this is a progress indicator for "Place value up to 1,000,000" showing a red dot and a checkmark, followed by a row of ten circles. At the bottom of the sidebar is a "Summary" section with a dropdown arrow and a text description: "This nugget has learning material and questions covering the topic of place value up to 1,000,000." At the bottom of the interface, there is a "CENTURY" logo and a red button labeled "I am feeling worried" with a sad face icon. A blue arrow points from a text box on the right to a blue circular button with a right-pointing arrow, located on the right edge of the video player.

Badges and Streaks

See how long you can keep your streak up on CENTURY.

The screenshot shows a dark-themed interface for tracking streaks. At the top, it says "My Streak" with a help icon. Below this is a large flame icon. To the right of the flame, it displays "5 / 5" and a progress bar with five yellow circles. At the bottom, there are two sections: "CURRENT STREAK" with a flame icon and "2 weeks", and "LONGEST STREAK" with a trophy icon and "2 weeks".

The badge is circular with a blue and purple gradient and the number "10" in the center. Below the circle, it says "Study 10 new nuggets" and "Achieve this by studying any 10 nuggets." At the bottom, it says "Achieved on 08 Apr 2021".

Top Tips

Always have something to write with.

Watch the video and have a go at the practice questions within it before moving onto the assessment.

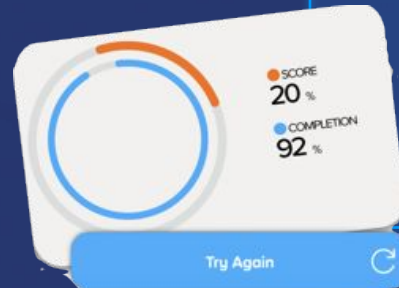

Make sure you read any feedback you are given.

Return to the video or remember card if you're stuck.

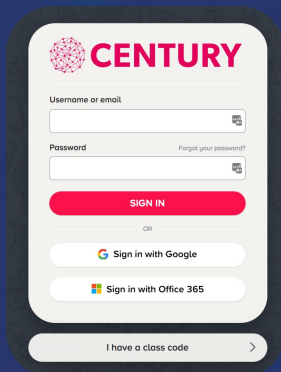

Aim for a green score. If your score is red or yellow, try the nugget again.

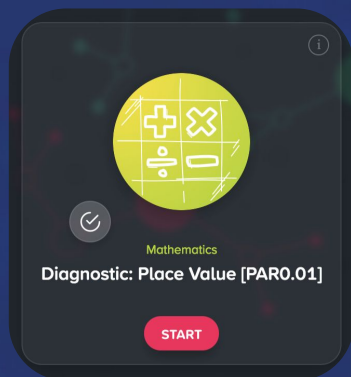

What should I do on CENTURY?

1.

Log in

2.

Complete the first diagnostic.

3.

Work through the nuggets in your recommended path.

Any questions?
