

IT in school

Guide for students

**St Ralph
Sherwin**
Catholic Multi Academy Trust

What IT systems?

- **Arbor** (All year groups)
 - An online platform where you can view your timetable, homework, attendance, behaviour and reports.
- **Sparx** (All year groups)
 - Helps develop your mathematical skills.
- **Century** (All year groups)
 - Teaches English, Maths and Science. You will use Century in Science at Saint John Houghton CVA.
- **Carousel Learning**
 - Used by various subjects to help embed knowledge and practice retrieval. There are no student logins. Links are shared with you on Go4Schools when quizzes are created.
- **Kerboodle**
 - Students can access various resources and books, and teachers can set assignments. Used within science.

Accessing IT

- You will need 3 pieces of information to access IT.
 - Username (In-school only)
 - School email
 - Password

If you are not aware of the above information, please talk to your form tutor.

Email

- You can access your school email using Microsoft office 365
- Visit [MS Office 365](#) to sign in when you are out of school.
- Use your school email and password to login in.

Guides

- Arbor (Homework)

- [Login Screen](#)

- Sparx (Maths)

- [Login Screen](#)

- Kerboodle (Science)

- [Login Screen](#)

- Century (science)

- [Login Screen](#)

[Login instructions](#) for all these platforms can be found on the SJH website.

Tip: If you first login to your school email, you can use the 'Sign in with Microsoft' option to sign into some these IT systems.

New Students

- If you are a new student it can take a few days for the systems to process your login details, so please be patient.
- If you can still not access these IT platforms after 1 week at school, please ask your for help from a teacher or at reception.
